

Erasmus+ KA2 “Soundcool”

Project management Meeting

Tuesday, 4th of April

Tasks of the Project

1. Send unleast 3 videos of the pieces created during the Project (“The city”, “music and nature”, “Music and literature”) that we will link to the Erasmus+ results platform.
2. Very important to disseminate all the activities of the Project activities on your websites o facebook pages. Spanish National Agency will check it and compare it with the final report.
3. Organize a teacher training course to explain about Soundcool
4. Organize a concert with Soundcool (send prove, videos, photos, etc.)
5. Send us the newspapers or similar to show the impact of the Project in your community.
6. Send a prove of any other activity done about Soundcool
7. If you brought to the mobility a student with Special Needs send a certificate or similar
8. Fill the final report
9. Help to translate the didactic guide of Soundcool cool to your country language.
10. Participate in a Skype and face to face (Portugal) focus group to talk about the experience with Soundcool (only music teachers). Participate in the international study (translate and give to the students the questionnaire). The music teacher must record a short video talking about his/her experience with Soundcool.
11. Send a copy of all the bills and expenses.
12. Send all the information asked by the Project coordinator.

The final meeting (third transnational meeting) will be held in Ponte de Sor from the 1st to the 3rd of June to finish the final report and check the delivery of the tasks on the list above.

The Budget distribution will be done according to productivity and quality of the tasks as we signed in our agreement.

Alcàsser, 4th of April, 2017

Elizabeth Carrascosa Martinez
Project Coordinator
